

EMIRATES ASIA PASS FOR TRAVEL WITHIN SOUTH EAST ASIA

Unlocking Seamless Travel Across Asia

The Asia Pass is a travel solution designed to simplify and enhance travel across multiple destinations within Asia. Whether you're a leisure traveller seeking cultural immersion navigating regional markets, the Asia Pass offers flexibility, convenience, and value.

Key Features:

- Multi-Destination Access:** Travel across a curated network of Asian cities with a single booking. Popular routes include hubs like Singapore, Bangkok, Kuala Lumpur and more.
- Flexible Itineraries:** Customize your journey with open-jaw options, stopovers, and date changes, allowing for spontaneous explorations.
- Streamlined Booking:** One pass, one platform, eliminating the hassle of coordinating multiple tickets and carriers.

Bespoke fare rules:

Changes: USD15 for reissue

- No-show:** In case of no-show at any time, the no-show sector becomes non-changeable and non-refundable. The subsequent sectors will be cancelled by the operating carrier and can be rebooked and reissued with ADC (if applicable) + No show fees of the international ticket.
- Combinations:** Permitted with EK international fares in all cabins, to Cambodia, Indonesia, Malaysia, Singapore, Thailand or Vietnam. Asia pass fares will auto price with all eligible Emirates international public and private fares. If the itinerary is not pricing, it implies that the fare is not eligible.
- Baggage Allowance:** For the first through international sector, EK baggage allowance will apply only for these sectors, provided there is no stopover on the through sector. For the pass sectors within South East Asia, baggage allowance of the operating carrier may apply, as quoted in the GDS.
- Conditions of Carriage:** Operating carrier's conditions of carriage apply.
