

Commercial Proposal: 18-month roadmap starting Oct-26

DATE 21 July 2026

01 GLOBAL INCENTIVE PROPOSAL: TIERED REVENUE TARGETS

To scale the business growth with Emirates, Trip.com proposes the target revenue slabs for an 18-month period. The above targets are proposed strictly on trigger basis and the **backend incentive as well as the bonus incentive payout shall not be payable on third-freedom flights.**

Quarter	NFR Target – Trigger in USD*	Backend Incentive (%)	Bonus Incentive
Q3 FY26/27 (Oct–Dec 26)	\$51.6M (65% y-o-y)	1.75% (1.5% + 0.25%)	+0.5% at \$75M (≈95% y-o-y)
Q4 FY26/27 (Jan–Mar 27)	\$50.0M (112% y-o-y)	1.75% (1.5% + 0.25%)	+0.5% at \$60M (≈134% y-o-y)
Q1 FY27/28 (Apr–Jun 27)	\$80.4M (148% y-o-y)	3.25% (2.5% + 0.75%)	+0.5% at \$90M (≈166% y-o-y)
Q2 FY27/28 (Jul–Sep 27)	\$90.7M (147% y-o-y)	3.75% (2.75% + 1%)	+0.5% at \$103M (≈167% y-o-y)
Q3 FY27/28 (Oct–Dec 27)	\$62.5M	1.75% (1.5% + 0.25%)	+0.5% at \$75M (≈95% y-o-y)
Q4 FY27/28 (Jan–Mar 28)	\$70M	2.00% (1.5% + 0.5%)	+0.5% at \$60M (≈134% y-o-y)

*Y-o-y comparison against FY 25/26 ticketing agreement

In line with the commercial alignment, the revenue targets for two quarters are taken as steeply aggressive to showcase Trip.com’s customer reach and potential. It is further proposed that **Emirates invests 650K USD upfront** in marketing fund which will then be adjusted against the percentage reinvestment. This is to ensure quick turnaround and marketing participation.

18-Month Revenue Growth Trajectory

02 COMMERCIALS FOR BOOKINGS OF SKYWARDS MEMBERS

To increase Skywards member attachment in Trip.com bookings, the following additional backend incentive is proposed over and above Clause 1.

► Tier bonus breakdown

Blue Members: +3.5% additional

Silver Members: +3.5% additional

Gold Members: +5% additional

Platinum Members: +2.5% additional

03 BOOSTER INCENTIVES BY POINT OF ORIGIN

To streamline the booster incentives and plan marketing campaigns better, Trip.com proposes the following booster incentives to apply throughout the year in line with market demand. The above proposed incentives are for sixth freedom traffic to capture the competition share of voice.

Point of Origin	FY 25/26 pax base	EK SoV- Historic	EK SoV- Targeted	Per pax booster
GCC (Except UAE)	30,171	8.4%	12.4%	\$ 16
Europe	87,927	21.9%	30%	\$ 32
Americas	6,630	11%	18%	\$ 55
Africa	13,321	22%	25%	\$ 8
Far East	195,837	14%	25.4%	\$ 11
West Asia, IO	56,678	18%	31%	\$ 25

Committed pax nos. for each point of origin: **+135% y-o-y**

In addition to the above, a per OD pax incentive of 30 USD per pax is proposed for CN-destination in line with last year's ticketing agreement and joint focus of Trip and Emirates to capture the China inbound traffic.

04 VIRTUAL CREDIT CARD ALIGNMENT

Trip.com agrees to work in alignment with Emirates to keep the overall cost in check and proposes to work on the following card types throughout the year in the lieu of it:

Acceptable VCC Issuers: **Visa WEX cards, domestic cards in the USA, Trip SG cards in APAC**

Applicable points of sale: ALL

Incentive Structure: **Additional +0.2% / 1 USD per pax payout for VCC usage on NDC**

BIN Restrictions: Must comply with Emirates requirements as mutually aligned

It is further proposed that Emirates must inform Trip.com of any card related surcharges no later than 120 days in advance so as to allow Trip.com make the requisite adjustments and protect its margins while complying fully with EK's requirements

05 CODESHARE INCLUSION

To make the most out of EK's expansive network, Trip proposes that the codeshare itineraries with Fly Dubai shall be included in the overall commercials as proposed in Clause 1 subject to the below:

Scope: **All EK-marketed codeshare flights (EK ticket stock 176)**

Eligible Partners: **FZ only**

Incentive Applicability: **Only quarterly backend and bonus incentive (Booster incentives shall not be covered)**

06 PREMIUM CABIN BOOSTERS

To continue the growth of premium cabins and maintain revenue quality, the following incentives are proposed:

Business Class: \$50 per pax

Premium Economy: \$30 per pax

First Class: \$150 per pax

The above incentives shall apply for all routes, including third freedom.

07 PRIVATE FARES AND MARKETING CALENDAR ALIGNMENT

To invest the marketing funds into growing Emirates business, Trip will later propose a detailed 18-month marketing calendar to capture seasonality and win against competition. It is proposed that the **marketing campaigns will be supported by private fares / competitive content from Emirates to generate high ROI.**

08 COMMERCIALS TO OPTIMIZE YIELD

To improve revenue quality and higher yield, Trip.com proposes the following additional incentives:

Branded Fares: **\$5 for Flex and \$10 for Flex Plus per OD pax**

Ancillaries: 10% incentive for seats, 20% incentive for bags

Route optimization: TBD with time

It is further aligned that Trip.com will deploy its top-end marketing products such as sponsored listings to continuously drive high-yield flights of Emirates.
